

Armidale Branch National Parks Association invites
you to our AGM and to meet our guest speakers

Dr Miriam Pepper and Reverend Dr Jason John,
Forest Chaplain, of the Forest Advocacy Ministry

FAITH in FORESTS

DATE: Thursday 27 August 2026

TIME: 5:30 to 8 pm. Homemade soup by a cosy fire

PLACE: Armidale Tree Group, 80 Mann Street

Miriam & Jason are the authors of *"Breaches: Profiling the Recent History of Logging Breaches by Forestry Corporation of NSW"* (www.breachesbook.org).

Come along to hear how the Forest Advocacy Ministry is working with communities to achieve protection, connection and restoration of high-quality forest habitat including seeking an end to industrial native forest logging across NSW. They offer pastoral care and practical support to Traditional Custodians and forest defenders.

Miriam has participated in many interfaith and community environmental initiatives in areas of earth care and climate justice. She is a social researcher at NCLS Research and Adjunct Senior Research Fellow at the Centre for Religion, Ethics and Society, Charles Sturt University.

Jason is Forest Chaplain with the Forest Advocacy Ministry. He is a Uniting Church Minister who works to encourage the church and wider society to live in better relationship to God's whole earth family.

RSVP by 25 August is appreciated for catering: npaarmidale@gmail.com
